A high pressure model for all-round cleaning performance. Robust design with added power for bigger tasks and more challenging dirt and grime.

A variety of models, a choice of accessories.

Thanks to a range of versatile accessories, our AQT High-Pressure Washers are all-in-one solutions to any outdoor cleaning challenge. With the 90° nozzle, for example, you can remove dirt from roof gutters or wheel arches without uncomfortable bending or stretching. Just attach the suction nozzle to remove puddles or wet spots on the patio. Clogged pipes or drains? Flush them out with the drain cleaner hose.
